Dear Pastors, Youth Ministers, and Sunday School Teachers:

We are so excited to partner with the First Baptist Church of Crossville, AL to offer a Girls Glorifying God retreat specifically for girls only.

This retreat will touch on every battle that our young ladies face on a daily basis. In the day that we live in, our girls suffer from peer pressure and cultural shock. These pressures push them into becoming prey to predators such as the world, their peers, and especially satan.

We strongly encourage the adult women to enjoy this event themselves by chaperoning the young ladies of your church or community to two nights and three days of sound Biblical teaching on God's mind and intentions for their lives. All sessions will be taught by Dr. Brenda Robinson and Brooke Cason. The emcee will be Christie Pickard who will also teach special breakout sessions for ages 12 and under. Singing for the entire event will be provided by New Desire.

As a ministry who specializes in these types of events, we daily encounter young ladies who are dealing with teen pressures, date rape, teen pregnancy and alcohol and drug use. Our goal for this retreat is to teach them how to put Christ first in their life and to make them realize they are not the church of tomorrow but they are the church of right now. Our passion is to grow these girls up spiritually and to love them with the love of Christ and the love of God.

This retreat will be held Thursday, July 8 through Saturday, July 10 at Holiday Inn Lake Guntersville, with check-in beginning at 4:00 PM on July 8. Costs of registration are provided on the enclosed brochure. There will be a **\$50 non-refundable deposit** required per person at the time of registration. Space is limited and will be on a first come, first serve basis. Final payment is due by June 25. You may register online at [www.newdesire.org](http://www.newdesire.org). Payment can be made by check or credit card. Checks should be made payable to New Desire Christian Ministries and mailed to P. O. Box 918, Aragon, GA 30104.

This will be a wonderful time of Christian fellowship, learning, and fun for your young ladies. It will be a life-changing experience for them in their relationship with God.

I Just Love Jesus,
