To Whom It May Concern:

I am coming to you in the name of our Lord and Savior, Jesus Christ. The Lord has been dealing with me for several years to expand my personal missions work for His Kingdom. I do realize that there is a great need for missions right here in the United States of America, but I feel that with what I do with New Desire each week helps meet the needs of ministry right here in our own country. We do travel some outside of the U.S. with our whole group, but I know that God is wanting me to do more to spread His Gospel. I have ran from this for approximately 4 years since our trip to Africa. My heart longs to help others come to know Jesus with an understanding of His unconditional love. I have been in the Word of God and He has given me several Scriptures to stand on so that I know without a doubt that He's leading me in the direction of not just missions in other countries, but missions right here in parts of our own country that there are over 80% of the population in some areas that have never heard the Gospel of Christ.

Unfortunately, these trips will cost a lot of money and I will need help raising the funds to go to these places. I will still be fulfilling my duty with New Desire and will be traveling on these mission trips during our off time. My first trip is planned for November. I have to raise the funds of \$3600.00 by August 30, and I will be traveling to the Middle East with a whole mission team. On this particular trip, I will be helping in an eyeglass clinic and doing a Christmas play in the local schools. This will lead to open doors in the homes of the village people. That's where we get to share the Gospel. Some of the other trips I have planned will be in parts of the world that it's illegal to proclaim the name of Jesus above ground. We will be building underground churches for those who want to learn about Jesus. My heart's desire is that you will take all of this in to consideration and pray about supporting this cause for Christ! We sometimes take for granted that we live in a place of freedom and liberty, but not all of the world does. God has commissioned us through His Word in Mark 16:15 to "...**Go ye into all the world, and preach the gospel to every creature.**" This endeavor is very exciting for me because I know that God has spoken to me to do this and I can't run from it any longer. If you are unable to give monetarily, please prayerfully support this endeavor. I know that we are all feeling the effects from the economy, but there is no price too big to place on someone's chance of salvation.

Any contribution that is given will be tax deductible due to New Desire Christian Ministries, Inc. being 501-C(3). Please just make sure that you write the check to New Desire but specify on the memo line: LABRON MISSIONS. We are also capable of taking contributions by debit or credit card, and we accept anything except American Express.

I look forward to being able to share with you this experience. For if you are able to contribute by donations of prayer, you will also be an indirect part of this mission trip. You may not can go, but anything you do to help will affect the outcome of the trip. May God bless you and thank you for your time.

Serving Christ,

Labron Cason
