Thank You Jesus – Bobby and Pattie Coe

Chorus:
I saw the light on a hill called Calvary
That's the place where Jesus gave His life for me
Where the blood was shed that bought my liberty
Thank you Jesus for giving life to me.

Verse 1:
I saw my life one day in a sinful state
I repented of my sins and mistakes I'd made
Hell was sure to be my final destiny
Until my Jesus saved me and gave me victory

Verse 2:
Now my life has changed from nothing to royalty
No more fear of death or life of misery
I've got peace and joy and love God gave to me
I'll soon be leaving here to live eternally
