

No Grave Gonna Hold My Body Down

Claude Ely

1. Look way over Jordan what do you think I see I saw a band of holy angels coming after me

**There ain't no grave gonna hold my body down
there ain't no grave gonna hold my body down
when you hear that trumpet sound
gonna get up out of the ground
there ain't no grave gonna hold my body down**

2. You can take me down to the grave yard Lay this body down but when that trumpet blows in the morning I'm coming up out of that ground.
3. Meet me Jesus meet me
Meet me in the middle of the air
I'm gonna rise to meet my Lord and I'm gonna say goodbye down here

**There ain't no grave gonna hold my body down
there ain't no grave gonna hold my body down
when you hear that trumpet sound
gonna get up out of the ground
there ain't no grave gonna hold my body down**
