Verse 1:

Alone in the garden Jesus prayed "Lord pass this cup."
Alone in the garden Jesus prayed "Thy will be done."
As He knelt there before Him in sweat and agony
He prayed "Father, this cup I will drink."

Chorus 1:

I'll go because I love them
I'll die, I'll give my life
I'll go because I love them
I'll bear all their strife
Because I love them
I'll bear the Cross of Calvary
He said "Father, I love them, send me."

Verse 2:

Alone in my life, I wondered could anyone care
Alone in my trials, I cried, "Lord are You near"
I wondered, could He love me, was He truly in my life
Then I heard Him gently saying, "Child, here am I"

Chorus 2:

I'm here because I love you, I died, I gave My life
I'm here because I love you, I was your sacrifice
Because I love you I bore your sin at Calvary
He said, "Father, I love them, I'm glad You sent Me."

I just love Jesus because He first loved me
Jesus loves me this I know
For the Bible tells me so
