

## Behind the Scenes

### Verse 1:

They badgered and accused her, of all the sins she lived.  
Brought before the Savior, with stones their hands were filled.  
Guilty as the woman, Jesus knew them best.  
Behind the scenes He searched their hearts then wrote them in the sand.

### Verse 2:

On a rugged cross He hung there  
The crowd had beat Him down  
They thought they had destroyed Him  
They laughed and placed His crown  
The soldiers bragged and cheered  
Oh, they had won it seemed  
Unaware of God's intentions  
Taking place behind the scenes

### Chorus:

Behind the scenes the veil was torn  
Jesus blood was spilled  
No man took His life  
He freely laid it down  
Behind the scenes all hell would cringe  
As Jesus rose again  
Death had been defeated  
Behind the scenes He lives

### Bridge:

Behind the scenes God is working  
Looking out for me  
Angels are hovering all around  
Fighting demons we can't see
