

FRAGMENTS

Written by Brenda Robinson and Tammie Herring

Verse 1:

Passover day had arrived for the Jews
People had gathered by great multitudes,
A young lad had come, prepared for the day,
With five loaves and two fish, (he came) ready to stay.

Verse 2:

The Jews came empty with nothing in hand
Looking for Jesus to supply their demand
Unlike the boy who came fully prepared
He left with twelve times, more than his share.

CHORUS:

Fragments, broken pieces,
That's all that He needs,
Bring them to Jesus,
You'll leave with a feast
Fragments aren't failures,
but blessings of God
Baskets of fragments,
That's what we are.

BRIDGE

Do you feel life has left you broken and torn,
Have you been wandering, Where is the Lord
Come as a child, He's waiting for you
To multiply your fragments, to bless and to use.
