

Going Home Someday (Key C)

Verse 1

My home is not down here below My home in Glory I long to go

But I remember God's promise to all So I'll just wait and I'll listen for the call

Chorus*

There's a kingdom that I am going to

I can't see it now, but in my dreams I do

I'm moving through this world of pain

To where my home shall be someday

Verse 2

Just when I think I can't take anymore

My God reminds me of that bright shore

Up where they'll be no more good-byes And we shall have eternal life

Chorus*

-Tag-

I strive to attain, but find no ease Home someday is where I find my peace.

“Going Home, yes I'm going Home, there's nothing to hold me here.”

I'm moving through my world of pain

To where my Home shall be someday
