

He Breathes For Me  
Dr. Brenda Robinson/BMI/New Desire Publishing/2011

Verse 1:

Life sometimes makes me smother  
Feeling like I just can't breathe  
Overwhelmed in the moment  
God comes on the scene  
In His arms I'm covered  
He holds me tenderly  
Speaking to my heart  
Breathing life into me

Chorus:

He **takes my breath away**  
Breathing **life into me**  
He gives me **love, life, and liberty**  
**And on those days**  
When I **struggle to breathe**  
**I know Jesus, He breathes for me**

Verse 2:

When I walk in darkness  
And oppression has me swayed  
I wonder in my heart  
Will God walk with me today  
He whispers to my spirit  
In awe I stand amazed  
Breathing through His power  
And with all my heart I say

He **takes my breath away**  
Breathing **life into me**  
He gives me **love, life, and liberty**  
**And on those days**  
When I **struggle to breathe**  
**I know Jesus, He breathes for me**

He **takes my breath away**  
Breathing **life into me**  
He gives me **love, life, and liberty**  
**And on those days**  
When I **struggle to breathe**  
**I know Jesus, He breathes for me**

Just the power of His name (OOOOOO)  
Restores my strength again (OOOOOO)  
Revived by His power (OOOOO)  
I know Jesus (I know Jesus)  
He breathes for me (Breathes for me)
