Verse 1:

Her life was broken in pieces,
the ones whom she loved had left her side
Circumstances brought her down to her knees
She felt alone and wanted to die

Chorus:

But He was there
As her tears hit the ground
He was there
No one else was around
He was there
Through her pain and her grief
He was there. She just couldn't see

Verse 2:

Now looking back on all of those things
It's not so hard to realize
You can see God oh so clearly
While looking back through Heaven's eyes

Verse 3:

You may be fighting a battle
And circumstances say that you cannot win
Jesus gave His life for you on Calvary
To bring you victory and peace within

Chorus 2:

And He is there
As your tears hit the ground
He is there
In your trials He'll be found
He is there
Through your pain and your grief
He is there. It's easy to see

Bridge:

Don't give up on the brink of a miracle
Don't give in God is still on His throne
Don't give up on the brink of a miracle
Don't give in remember you're not alone
