

He'll Do It Again
Shirley Caesar

Verse 1: You may be down and feel like God has somehow forgotten
And you may be faced with circumstances you just can't get through
Right now it seems there's no way out and you're going under
But God's proven time and time again He'll take care of you

Chorus: And He'll do it again, He'll do it again
If you'll just take a look at where you are now
And where you've been
Hasn't He always come through for you
He's the same now as then
You may not know how, you may not know when
But He'll do it again

Verse 2: God knows the things you're going through
And He knows how you're hurting
You see He knows just how your heart's been broken in two
Oh, but He's the God of the sun, of the stars and sea
And He is your Father
You see He can calm those storms
And He'll find some way to fix this for you

Repeat Chorus

Bridge: He's still God and He will not fail you
Oh, He's still God and He will not change
I know that He's God and He's fighting for you
Yes, just like Moses, just like Daniel
And just like Shadrach, Meshach and Abednego

Repeat Chorus
