

# He's All The World To Me

Written by: Tammie Herring & Steve Chaney

Verse 1:

Well I've found a friend in Jesus  
He's all the world to me  
He lifts me up when I am down  
And He gives me victory  
He's my joy in times of trouble  
The song of praise I sing  
He's the God of my salvation  
He gives life abundantly

Chorus:

He's Almighty, God Jehovah  
The rock on which I stand  
He is my living water in a dry and thirsty land  
He is my soul provider  
He meets my every need  
Oh, I've found a friend in Jesus  
He's all the world to me

Verse 2:

My Lord is walking with me  
He's always by my side  
He is my peace, my comfort  
He dries my weeping eyes  
He's bread when I am hungry  
He's worth more to me than gold  
He showers me with blessings  
He's the lover of my soul

Repeat Chorus X 2
