

# He's Concerned About Me

Kyla Rowland

Verse1: I am troubled today; May be troubled tomorrow  
But I know of mercy and in whom I've believed  
There is comfort and healing for all who believe Him  
And through all my suffering He's concerned about me

Chorus:

I am more precious than the lily; more than the sparrow  
I know who I am and who bears all my sorrows  
He is my good Shepherd who died for this lost sheep  
He is my Father, He's concerned about me

Verse 2: With so many children with so many problems  
He still knows where I am and He's touched with my need  
I have the Father's attention through my Holy Physician  
Oh, it is amazing; His tender care of me

Repeat Chorus

Tag: I'll take no thought for tomorrow; It's in the hands of the Father  
He loves me, He's concerned about me
