

# I Can Testify

Verse 1: I don't have a dreaded story or a life that's worse than all  
I haven't walked through perilous times like a man named Paul  
But I'm not less than others who lived to tell of strife  
'Cause it doesn't take a tragedy to stand and testify

Chorus: I'll be glad to stand and say that I just love the Lord  
He has blessed me beyond measure; He love me that's for sure  
I can't count the many blessings; He has bestowed upon my life  
In my heart I praise Him daily that I can testify

Verse 2: I've heard the many stories of how God brings us through  
I've learned from testimonies that Jesus loves me too  
Now I know that serving God is simply breaking down my pride  
It takes everyone of us to stand and testify

Repeat Chorus

Bridge: Let's testify with passion of God's redeeming love  
Let's tell of how He gave His life and shed His precious blood  
I am saved and I am loved; through Christ I am alive  
In my heart I praise Him daily that I can testify

Repeat Chorus
