

## I Met That Man

Written by: Brenda J. Robinson/Karen Tinsley/New Desire Publishing/BMI/Copyright 2001

### Verse 1:

Brought down and defeated in sickness he lay  
With no one to help him to the pool that day  
With great effort struggled just to step in  
But no hope could he find till he met that man

### Chorus 1:

I was that man lying there by the pool  
I have felt the pain and grief that he knew  
Rejected, abandoned and no hope within  
That was my life until I met that man

### Verse 2:

Full of pride, drained by life  
She came to the well  
She was trying to quench the thirst that she felt  
There she met a man who knew her sin and strife  
Still He freely gave her that water of life

### Chorus 2:

I was that woman there at the well  
I know the grief and pain that she felt  
Rejected, abandoned and no hope within  
I was that woman until I met that man
