

Intercessor

I see that smile you're wearing on your face

When deep inside you feel so out of place

**And you wonder how you're gonna make it through**

**Just remember I am here for you**

My grace will be sufficient in your time of need

And when there's no one else to count on

You can count on Me

Chorus:

For I will go before My Father on your behalf

And I will intercede for you before His throne

And when it feels like everyone has forsaken you

Remember child, you are not alone (you are not alone)

For I am your friend, and I'll go with you 'til the end

I was there to hold you when no one was around

And I was there to pick you up when you had been cast down

And through every trial I brought you safely through

Just to prove once again how much I love you

So when you're standing at a crossroad and you don't know what to do

Just remember I am on my knees interceding for you

Repeat Chorus
