

## **Jesus (Key D)**

### Verse 1

The toils of life weigh heavy, I find myself distraught.

Distracted by temptation, I need a cleansing of my thoughts.

The only place I know to go is to the Master's feet,

Crying Jesus I need you to come and rescue me.

### Chorus\*

Jesus wash away my pain, cleanse this sinful heart of mine.

Renew me once again.

Jesus- let me hear your joyful voice, so that my Spirit that is broken may rejoice.

### Verse 2

With a heart of repentance, I turned to God with tears.

In my pain He holds me gently binding all my fears.

Never will I be alone, I'm His forever more.

Protected from the enemy, I'm resting in the Lord.
