Verse:

Like Paul became a fool for Christ's sake
That's a chance I'm willing to take
My mind is on eternity
It's not about popularity
Or who the prom queen will be
It's all about what Jesus did for me

Chorus:

I'm loving the Lord and living by the word
No matter how crazy or absurd
My friends think I have become
He died for me so I'll live for Him
There's a hell to shun, Heaven to win
I'm trusting my life to God's only Son

Verse:

There's no escaping the fact of our sin
We're lost and hopeless without Him
I'm thankful for the blood He shed
He redeemed me from among the living dead
I've never found a greater love
Than that coming from above
