

Living Loved

Dr. Brenda Robinson/BMI/New Desire Publishing/2011

Verse 1:

Mary laid Him in a manger
They hung Him on a rugged cross
Joseph placed Him in an empty grave
And on the third day He arose
Jesus met them in the upper room
By His Father's side He now sits
What a love the Savior has for us
Can you fathom this?

Chorus:

A love that heals, a love that fills
Unending love that forever forgives
A love that died then lived again
A love that purchased all my sin
I'm living loved, He is my Savior
He's Jesus Christ, my dearest friend
I'm living loved, I'm born again
Because I am living in Him
Because I am living in Him

Verse 2:

I wasn't worthy of His love
Nor deserving of His grace
I'm honored that He called my name
And I received Him by faith
I've been buried, I've been resurrected
I've been delivered and restored
I'm no longer considered an orphan, I've been adopted by the Lord

Chorus

A love that heals, a love that fills
Unending love that forever forgives
A love that died then lived again
A love that purchased all my sin
I'm living loved, He is my Savior
He's Jesus Christ, my dearest friend
I'm living loved, I'm born again
Because I am living in Him
Because I am living in Him

Bridge:

Buried, resurrected, I'm delivered and made new

**I'm living in Jesus
Living loved in His truth**

Chorus

**A love that heals, a love that fills
Unending love that forever forgives
A love that died then lived again
A love that purchased all my sin
I'm living loved, He is my Savior
He's Jesus Christ, my dearest friend
I'm living loved, I'm born again
Because I am living in Him
Because I am living in Him**
