Chorus

My life has been made over, from one extreme to another.
From a life of sin to righteousness in Him
Through the precious blood of the Lamb
My life has been made over

Verse 1

When I look at where I've come from to the life that I now live
I know that God has done a work according to His will
My past is now buried, my present life He carries
My future's so much brighter because

Chorus

Verse 2

If any man is in Christ old things are past away
Jesus gave His life for us to have new life today
From the inside we are renewed our lives forever changed
My spirit lives within because
