

More Than A Difference (Key C-F)

Verse 1

You wouldn't have known Him He was dreadfully scorned
His body was battered And crowned with thorns
His life He freely gave He didn't count it as loss
The ransom for my sins Was paid at the cross

Chorus*

It made more than a difference You see the cross gave me life
The stripes He bore & the blood He shed Made me an heir with Christ
The guilt & shame, the blood & pain The agony as He died
Jesus suffered it all on the cross That should have been mine

Verse 2

I drove the nails that day And I cried crucify
I helped raise the body And stood to watch Him die
The earth shook, darkness fell I began to see the light
I realize who died that day, He was the one who gave me life

Chorus*

Bridge

“At the cross, at the cross, where I first saw the light”
