

Oh, What A Difference

Written by: Chris Binion

Verse 1:

I was living in bondage, sin had me shackled
And the rescuer nowhere in sight
Utterly hopeless, that's how it seemed
But somebody knew of my plight
'Cause He made me an offer I could not refuse
Of a new life abundant and free
And when I whispered yes Lord,
I've never been blessed more than the night it happened to me

Chorus:

Oh, what a difference my life has been turned around
Oh, what a difference now I know that I'm Heaven bound
Oh, what a moment
Oh, what a feeling when I was born again
Oh, what a difference and it happened the instant that I gave my heart to Him

Verse 2:

From the valley of sorrow to the summit of joy
Is a journey I'll never forget
Just like He promised the old became new
And He isn't done with me yet
Now each day at His alter I offer my heart
Knowing Jesus will always be there
All my sins are forgiven and for Him I am living
Nothing in the world could compare

Repeat Chorus

Bridge: He touched me. Oh, He touched me; and Oh, the joy that floods my soul
