Verse:

Uncertain times are coming  
There's trouble everywhere  
Fear has filled our nation  
We're fighting the warfare  
Searching for cover  
That only God can give  
Jesus is waiting for us  
To run to Him

Chorus:

Run to Him  
Run to the one  
Who forgives our sin  
Run to Jesus  
Put on the armor of God  
The shield of faith  
His righteous breastplate  
Hide in His word  
Run to Jesus

Verse:

Our lives are less than perfect  
Our hearts are often broke  
Wandering in the darkness  
We're feeble in our hope  
As soldiers in the battle  
The enemy gains ground  
But Jesus is waiting for you  
To run to Him
