

This Battle Is Mine

Written by: Brenda J. Robinson/New Desire Publishing/BMI/Copyright 2007

Verse 1:

He stood and wondered what went wrong
His heart was broken, His fight was long
He cried oh God "How can I fix my life?
What did I do? Lord, have I sinned?"
He heard the Savior's voice again
"This battle is not yours. It is Mine."

Chorus:

I'll fight this battle for you
Just stand and watch me work
I know the pain you're going through
I even feel your hurt
My love for you will be your strength
I will never leave your side
Trust me as your Savior
This battle is mine

Verse 2:

I've watched as children bore the pain
Of broken homes and fleshly gain
I've witnessed friends and loved ones struggle hard
I've prayed for them, "What can I do?"
He spoke to me through His Word
This battle is Mine
Thus saith the Lord

Repeat Chorus
