

The Promise

Verse 1: I never said that I would give you silver or gold
Or that you would never feel the fire or shiver in the cold
But I did say you'd never walk thru this world alone
And I did say don't make this world your home

I never said that fear wouldn't find you in the night
Or that loneliness was something you'd never have to fight
But I did say I'd be right there by your side
And I did say I'll always help you fight

Chorus 1: 'Cause you know I made a promise that I intend to keep
My grace will be sufficient in your time of need
My love will be the anchor that you can hold on to
This is the promise, this is the promise I've made to you

Verse 2: I never said that friends would never turn their backs on you
Or that the world around you wouldn't see you as a fool
But I did say like me you'll surely be despised
And I did say My ways confound the wise

I didn't say you'd never taste the bitter kiss of death
Or have to walk thru chilly Jordan to enter into rest
But I did say I'd be waiting right on the other side
And I did say I'll dry every tear you've cried

Chorus 2: 'Cause you know I made a promise that I've prepared a place
And someday sooner than you think you'll see me face to face
And you'll sing with the angels and a countless multitude
This is the promise, this is the promise I've made to you

Bridge: So just keep on walking don't turn to the left or right
And in the midst of darkness let this be your light
That hell can't separate us and you're gonna make it thru
This is the promise, this is the promise I've made to you
Oh, this is the promise, this is the promise I've made to you
