

# **WE'RE GONNA HAVE A GOOD TIME IN THE LORD**

(Jeff Ferguson/Sue Smith)

## ***Chorus***

We're gonna have a good time in the Lord lifting up the name of Jesus  
We're gonna have a good time in the Lord as we sing and testify  
Love is in this place  
Joy is on each face  
We're gonna have a good time  
A good time in the Lord

Bring your heavy burdens friend  
And drop them to the floor  
Praises recommended here  
Leave worry at the door  
Shed that coat of bitterness  
It only weighs you down  
Put on the robes of worship  
For we stand on holy ground

## ***Chorus***

Tell how God has blessed you  
Since you've walked a closer walk  
How your troubles lift each time  
You have a little talk  
What a friend we have in him  
We're children of the King  
This world is not our home  
But while we're here we're gonna sing
