**Mission Statement:** New Desire Christian Ministries, Inc. strives to teach people how to live victorious Christian lives. We endeavor to do this through many different mediums.

**Preaching:** Bro. Dan Robinson is an evangelistic preacher. His preaching lines up with the ministry's Statement of Faith. Romans 10:14 says, *"How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?"* Bro. Dan has been preaching the Good News of the Gospel of Jesus Christ since 1991.

**Teaching:** Bro. Dan and Dr. Brenda J. Robinson both have dynamic teaching ministries in which they share their knowledge of God's Word with believers and unbelievers alike. Dr. Robinson has turned her knowledge of the Bible into nine Christian books encouraging people to live victoriously in Christ. Dr. Robinson speaks at approximately 50 women's events each year. Additionally, she teaches Bible classes to women's groups throughout the United States. Dan and Brenda also do couples' retreats where Dan teaches the men while Brenda teaches the women. Brenda also shares her testimony of God's divine healing power with thousands of people worldwide each year, including national mediums such as the Life Today show with James and Betty Robinson, Daystar with Marcus & Joni Lamb and multiple appearances on TBN.

**Singing:** Today, New Desire is more than just music. Dan has shared this message all across the United States and abroad, "We are not singers that minister, but we are ministers that sing." Singing truly just opens the door for New Desire to come in a minister to new groups of people. New Desire strives to sing songs that are based solidly on the Word of God, songs that will draw lost souls to Christ for salvation, and bring the believer into a deeper, more intimate walk with Him.

**Songwriting:** Dr. Brenda J. Robinson has been anointed by God to write biblically-based Southern Gospel songs. Dr. Robinson writes more of the songs that the group sings. Several of Dr. Robinson's songs have been recorded by New Desire and reached the Top 80 on the Singing News Charts.

Our goal in ministry, in all that we do, is to draw unbelievers to Christ and to teach believers the keys to victorious Christian living through solid, biblical instruction.
