Dear Friend,

Thank you for giving us the opportunity to come and worship with you. We are looking forward to being with you soon.

Our event is scheduled for _____ at _____ am/pm. We will need the church/auditorium unlocked two hours prior to concert time for set up and sound check. Someone from our office will contact you the week of your event to confirm and discuss the details of our arrival. If this is inconvenient for you, please contact us to set up an alternate time.

If possible, we would like to know the order of worship in advance. This will eliminate any confusion as to what is expected of us once we are on stage. We enjoy being able to follow the leadership of the Lord. We do not need this information immediately; however, we would like to know prior to the beginning of the service. We also need to know prior to our arrival where you prefer us to set up our product table. It is best in a foyer or sheltered area near the entrance/exit of the building so that our product is protected from any inclement weather. **It is also imperative that you return the enclosed document with contact information, the church's address and directions, even if we have been to your church in the past.**

New Desire Christian Ministries, Inc. entered into full-time ministry effective January 1, 2000. **We are honored to minister in your church on a love-offering basis.** As we enter your worship service by faith, we ask you to fervently pray for God to bless the offerings so that we can continue to serve on a love-offering basis. We not only have substantial expenses, but we also have salaries to meet since surrendering to full-time ministry. God says that a man is worthy of his hire, and we could not operate effectively without our staff. We believe that God will make a way for us to financially compensate them for their endeavors. **Again, we come on a love-offering basis. We are NOT asking for any specified amount of money,** but, as you pray, please keep in mind that our average expense for any one booking is \$1800. Some churches are able to give more, and some churches are able to give less, but God always provides our needs. We are only providing this figure to give you an idea of how to pray, and also to encourage you to advertise your event with the posters provided, through social media, newspaper, radio, etc. Our heart is to share the Gospel with as many people as possible. If the scheduled date is a ticketed event, please understand that we do have a set fee for this type of event. For more information on ticketed events, please contact our ministry office. **If for any reason you must cancel a scheduled event, please contact us at least 30 days in advance so that we can fill that date.**

If you have any questions, comments or concerns, please contact us as soon as possible.
