Verse 1:

I was deceived by my own life  
I did not know the love of Christ  
My life was wrecked and scared by sin  
I had no peace, no joy within  
Then Jesus said "This is enough,  
For you I bore the Cross with love  
You've been made worthy, worthy by the Blood"

Chorus:

I've been made worthy by the Blood  
I am redeemed by His love  
Given a brand new life  
Through the life of Jesus Christ  
No longer a cast away  
My sin debt has been paid  
I've been made worthy, worthy by the Blood

Verse 2:

Between two thieves He hung that day  
When Jesus heard the one thief say  
"Lord would You please remember me when Your Kingdom You have received"  
Then out of love Jesus replied "Today we'll be in Paradise  
You've been made worthy, worthy by the Blood"

Repeat Chorus
